in attendance –

Anthony Ho, Henry Lam, Peter Wong & Andrew Tang

Summary of Discussion

- 1) Anthony kicked off the discussion at 18:40 by saying that, with Leo Chu's posting of photos of the 11th WYK Group in the Facebook, the latter has attracted a lot of interest from WYK scouts worldwide; and similar to those "interest" groups of the Winos, ttClub, Karaoke, it would be appropriate to form the "11th Group" to provide members with diversified interest;

- 3) the first-thing-first is to build a database of scouts around the world; and give them a platform to communicate, reminisce and share of their photos & experience of their good old days;
- 4) Anthony proposed and would ask Jeffrey Mah to set up a forum for the "11th Group" as part of the www.wykontario.org website;
- 5) Henry reiterated that, with the availability of the database, he could pinpoint those key scouters; line them up (falling in); and move from then on;
- 6) Peter proposed to broadcast the recruitment, personally and collectively, inviting classmates to sign in;

What's Next

- 7) a dinner-gathering was scheduled on Thursday, the 10th October 2013, at the Landmark Seafood Cuisine at 18:30 to have all available scouters to brain-storming what could be done among the Group; and family members are welcome;
- 8) scouts would be encouraged to attend the 30th WYKAAO Celebration Gala to be held on Saturday, the 19th October 2013, at Sheraton Parkway Hotel; and form their own tables with old scout activity photos to be displayed adjacent to them;
- 9) a photo-taking session of the 11th Group would be held at the Gala evening;

Potential & Upcoming Events

- 10) Peter went out fishing in Lake Ontario, which could be planned as one of the events in 2014;
- 11) Andrew proposed to take advantage of the AGM platform for the following "show-and-tell" evening of the "11th Group" on Monday, the 2nd December 2013, killing two birds at the same time;
